- **NO** wheeled toys, bikes, wagons, scooters or skateboards are allowed on the pool deck. Strollers with locking wheels are permitted.

**The pools are for the pleasure of every member and/or resident and the rules are in place to ensure the fun, enjoyment and safety of our neighbors.**

## POOL INCIDENT PROCEDURES

The pools are for the pleasure of every resident and rules are in place to insure the fun, enjoyment and safety for all.

For community success with self-monitoring at the pools, review the pool rules and share them with minors headed unaccompanied to the pool. Rules and reminders are posted at the pools and are helpful as a point of reference when faced with a “forgetful” pool user.

In the event that the rules are intentionally not being followed and disregarded, members and/or residents may complete and turn in a Pool Incident Report to the Town Office. Incidents verified by multiple members and/or residents (signature and contact information included) or evidenced upon review of security camera, will result in further action by the Town Manager and/or Town Council as noted in Association Policy 800 / Facilities Incident Policy.

In the event the immediate presence of the Town Manager or Assistant Town Manager is required at the pool to address unsafe behavior(s), bullying or harassment, the resident will be asked to leave the pool area and may result in the loss of pool privileges for the season. If a resident is verbally or physically abusive to any Association staff member while they are at the pools performing job related tasks, the Ada County Sheriff will be called. We only mention it because it has happened in the past.

Please note, pool cards/fobs are issued by homeowner lot, therefore, ALL cards/fobs associated with the homeowner’s lot will be turned off.
